

## INTRODUCING Sphere Cashback Program

At Sphere, we appreciate our customers. From the beginning and throughout our relationship, we aim to build a lasting foundation. With our Meet or Beat cost comparison and now our Cash Back Program, Sphere delivers a winning combination.

Here is how our new **Cash Back Program** works. For the loyalty of processing with Sphere for one year, we are offering qualifying merchants a \$100 processing credit in their anniversary month.\*

Anniversaries are meant to be celebrated every year. This program will apply on the merchant's anniversary date, each year, for as long as they process with Sphere and meet the processing criteria.

*Terms and Conditions: Merchant must process an average of US\$5,000 monthly for twelve consecutive months in order to qualify. The US\$100 processing credit will be included as a statement credit in the merchant's anniversary month. All accounts subject to credit approval; some restrictions and exclusions apply to all offerings. This offer cannot be combined with any other offer. Sphere reserves the right to change the terms and conditions of this offer or to terminate this offer at any time in its sole and absolute discretion.*
