Dear Milissa, Jean-Samuel and Cédric,

I submit this letter to you in fulfillment of my contract clause requiring 2 months notice prior to change/termination of employment with VETA. My intention is to continue to provide direct and indirect supervision to Dr. Paula Lunardelli as she completes the remaining steps to obtain her full OMVQ licensure. To provide this supervision, my contract will need to be renegotiated for my continued employment with VETA after 05 Jan 2025.

Kind Regards,
